- **[1] I want to remodel my deck and railings**
 - I understand my financial commitments – best estimates are in the October 8, 2004 letter from CHOA.
 - I understand that I will sign a contract with the Association acknowledging that my decks remain Common Area, and agreeing to construction terms before construction begins.
 - I understand that I will be required to remodel all my decks and railings according to the CHOA approved design.
 - I understand that there may be a privacy concern by my neighbor and I will abide by the Association's proposed resolution.
 - I understand that the Association will schedule the construction timing and will manage the construction project.
